

THE BEAUTY REVOLUTION IS STARTING!

Who has never dreamed about testing luxury products at low price every month?
It's now possible with the beauty boxes.

The concept is very simple: Subscribe and receive each month at home your "lucky box" containing selective products in small packaging! Today, everybody own its beauty box: women, men and babies!

The latest beauty box: the **Biocosmethic box** !

The concept is nearly the same: A free subscription to our box to receive each quarter the selection of our products and test them in your formula!

Our team will select for you the « must have » on the travel topic.

Each Biocosmethic Box will allow you to discover the richness of a continent!

BIOCOSMETHIC BOX N°1: START OUR TRAVEL AROUND THE WORLD WITH THE ASIAN CONTINENT!

For your **face** care products, test the richness of Siberia and Nepal!

The **Siberian Larch**

This extract has whitening properties. This active ingredient is notably tested on the inhibition of melanin synthesis.
